DETAILED ACTION

Response to Amendment

1. The reply filed on 19 March 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): acknowledgment is made of applicant's election of Species I, drawn to Figures 1-2 and disclosed on pages 6 and 38 of the specification. Applicant asserts claims 1 and 2 are readable on Species I. Support was not found for the limitations of claims 1 and 2 in the disclosure for Species 1, specifically support "a vehicle position detecting device provided on the vehicle or from an external" and "engine-drive-regulated region detecting means". As best understood these limitations are supported by Figures 12-14 which correspond to at least Species 12-13. See 37 CFR 1.111 for further details. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
